## DR. KYLE TRAMMELL

Dr. Trammell's advanced training and clinical emphasis of work includes dental implants, treatment of periodontal disease, hard and soft tissue grafting and crown lengthening for esthetics or function. He has achieved certification as a Diplomate of the American Board of Periodontology, an honor that is accomplished by successfully meeting the educational and examination standards that encompass all phases of periodontics, including dental implants. It is the highest level of recognition that a specialist can attain in the field of periodontology; less than one-third of all periodontists hold this distinction.

### ***Areas of Expertise***

- Dental Implant Placement
- Treatment and Management of Periodontal Disease including Regenerative Therapy
- Cosmetic Periodontal Treatment including Soft Tissue Grafting and Esthetic Crown Lengthening
- Bone Grafting (Ridge Augmentation & Sinus Lift Procedures)

### ***Periodontics Residency***

- University of Alabama at Birmingham School of Dentistry Department of Periodontology
- Department of Veteran Affairs Hospital in Birmingham

### ***Education***

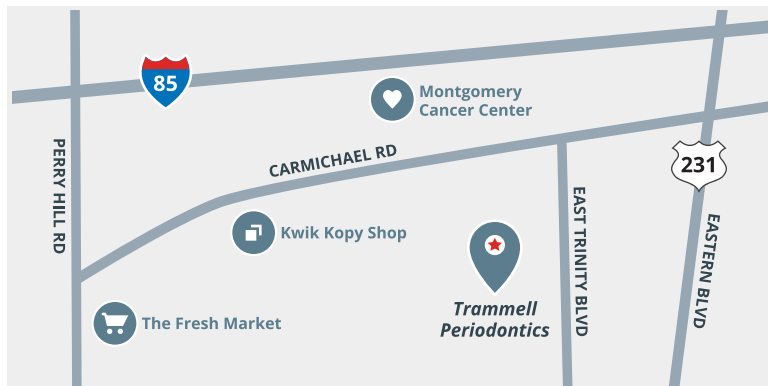

- B.S. in Biomedical Sciences, Magna Cum Laude, Auburn University
